

19th January 2024

Dear Parents/Carers

As part of our functional Maths and English lessons, we are visiting places in the community so our students can practice skills they have learnt in their lessons. Part of this includes purchasing items as well as socialising with their peers. This gives students an opportunity to practice skills they've learnt in their lessons, in particular using money to purchase an item.

These are the establishments we are visiting until the Easter break:

- Salvation Army (22nd January)
- McDonalds Fosse Park (29th January)
- Jenno's Café Everards Brewery (5th February)
- Jenno's Café Brocks Hill (12th February)
- McDonalds Wigston (26th February)
- Wetherspoons Wigston (4th March)
- Asda Fosse Park (11th March)
- Wetherspoons Oadby (18th March)

It is not essential, but if you can provide your son/daughter with some spending money during these visits, they will be able to get the most out of the experience.

Any questions, please give me a call on 0116 2477711.

Yours sincerely

Rich Addison
Class Teacher
