

18<sup>th</sup> November 2024

Dear Parents and Carers

**20th November – Leicestershire Police, Substance Misuse Team**

As previously communicated, James Edmonston from the Substance Misuse Team at Leicestershire Police is coming in for the morning of 20th November to deliver a session to the students. The session will be factual and mindful of our students' needs.

We would like to share this information with you on an online session on Wednesday 20th November at 1.30 pm. The session will focus on misconceptions, and how any drug if misused has the potential to cause harm. The session will last approximately 45 minutes and there will be the opportunity to ask questions.

Could you please confirm if you will be joining the online session with the Seniors office by email ([seniors@birketthouse.leics.sch.uk](mailto:seniors@birketthouse.leics.sch.uk)) and we will send the Teams link to you. The teachers have already attended a session with James, which was highly informative on the local issues in our area right now. We do hope that you will be able to join us for the online session.

Yours sincerely

Jenny Barker  
Deputy Head Teacher - Seniors
