

20th January 2026

Dear Parents/Carers,

Re: School Photographer - Seniors

We are pleased to inform you that school photographs will be returning this year. Your child is scheduled to have their photograph taken on **Thursday 5th March 2026**.

All orders will be completed online through **Hardy's School Photography**. Hardy's will visit the school to take and edit the photographs, after which they will provide proof cards. These proof cards will be sent home with the children and will include login details plus instructions for viewing and purchasing photos.

Yours sincerely,

Birkett House Seniors
