

Birkett House School

Primary school PE and sport funding for 2022/23

Figures are based on 2021/22 figures at October 2022 – Checked website for update, nothing updated at this date

The government is providing additional funding of £350 million per annum for academic years 2022/23– provided jointly by the Departments for Education, Health and Culture, Media and Sport. This money is part of the Olympic Legacy from 2012. This funding is ring fenced and therefore can only be spent on provision of PE and sport in schools.

Eligible schools

Funding for schools will be calculated by reference to the number of primary aged pupils as recorded in the annual census in January 2022. (£16000 + £10 for each primary aged student)

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Birkett House School expects to receive £17,260 Primary School PE and sport funding for 2022/23. The premium has to:

- develop or add to the PE and sport activities that Birkett House already offers
- make improvements now that will benefit pupils joining the school in future years

Planned allocation of funding for 2022/23

(£17,260)

Objective 1			
To maintain and raise attainment in primary school swimming by up-skill teaching staff across KS1 and 2			
Action	Cost	Intended Impact	Progress

To increase the use of sensory circuits in the complex needs classes	£500		£200 – Maries Class £125 - rebound
Objective 4 : To ensure that our students have equality of opportunity to join in with sporting activities with their peers and the wider community.			
Inspire 2 – managed by Crown Hills Community College 0116 2491029	2500 Sport events	To subscribe to training and events to maximise the development of inter sports competition and encourage	
Sth Wigston LSLSSP grant	£650		

<p>To access a range of sporting opportunities as opportunities arise</p>	<p>£1000</p> <p>£1000</p>	<p>greater participation in a wider range of sports.</p> <p>To allow as many students as possible to participate in sporting activities out of Birkett House</p> <p>To ensure children get the opportunity to apply their skills in either competitive situations or to experience a wider range of sports on offer</p> <p>Introduction of a greater variety of coached activities coaching</p>	
<p>Objective 5 : To take ensure that the PE curriculum is fully resourced in light of the development of out curriculum</p>			
<p>To monitor activities taught through PE lessons and identify gaps in curriculum</p>	<p>£700 in resources</p>	<p>Appropriate resources purchased to ensure all the curriculum is covered.</p>	

How the school assesses pupil attainment in PE and Sports

We use SOLAR as assessment tool and track progress.

We have separate tracking to develop swimming. We currently have no students who meet the end of key stage standard for swimming

Over time we have been able to consistently demonstrate that progress within PE is at least as good as in other subject areas, despite the anomalies that are shown by our students maybe having physical disabilities alongside their learning difficulties.

This allows up to bench mark the attainment and progress of our pupils of the same age, level of prior attainment and categories of Special Educational need.
